

INTERNATIONAL ADVENTURES UNLIMITED

2025 Safari Club International SCOTLAND HUNT DONATIONS

*The Biggest Draw & Attraction to SCI
Banquets Year After Year!*

Dear Safari Club President and/or Fundraising Chairman,

For 46 years, International Adventures Unlimited has donated hunts to Safari Club International in support of their fundraising efforts. We have been taking people to **Scotland** for thirty four years now, and have donated a limited number of these **Scotland** hunts to chapter fundraisers throughout that time period. They have been extremely successful auction items for those chapters, as well as prestigious offerings enhancing the class of their chapter's banquets. With this letter, I am enclosing some additional information on both the Scotland Spring Roebuck and Fall Red Stag hunts that we are offering your chapter. Please pass this information on to your fundraising committee after you have had a chance to review the enclosed material regarding the hunts.

Our spring **Roebuck** hunt takes place from the middle of May to early July where we have exclusive hunting rights on some of the most famous and prestigious estates in Scotland encompassing over 60 estates exceeding a million acres. On the following pages, you will find the details of this package. I would ask that your chapter provide us with \$3,950.00 as a minimum bid without airfare, or for \$4,950.00 we will also include round trip coach class international airfare from your successful bidder's nearest major international airport, as per our policy. Our airline ticket allotment is capped at \$1,000, which historically has covered the airfare for over 90% of our guests from our wholesaler. Additional costs, such as special seats, upgrade in class of service, additional flights, etc. will be the responsibility of your guest.

This comprehensive package we are offering includes all airport transfers, all meals and lodging at the luxurious Loch Kinord Hotel, in addition to the complete 1 on 1 hunting package and trophy fee for one mature buck. Any additional bucks may be harvested for a \$600 trophy fee including guide and transfer to and from the hunting estate. Spectacular touring opportunities when your guest is done hunting are also included. In addition I will also provide the field preparation of their trophies and oversee the caping, turning ears and lips, fleshing, salting, and drying by one of our professional taxidermists on location at cost in addition to overseeing the crating, shipping, exporting, and clearing of their trophies in 60-90 days after the conclusion of our hunt, also on a cost basis, which is a huge savings.

In previous years, many chapters have sold this hunt for \$10,000 and more...two recently went for \$18,000 each (over double retail), which made for quite a profitable donation. To increase the value of this donation even more, we are allowing the successful bidder to bring additional hunters with them at a \$1,000.00 discount off of normal retail including airfare, bringing the total value of this donation to well over **\$10,000.00**.

It is important to note that the only way an individual can hunt on these spectacular estates is by purchasing this hunt from International Adventures Unlimited. Because we only offer a limited number of these packages, this is a very exclusive and prestigious experience. Some European Roebuck hunts without international airfare are offered at other auctions for \$20,000 and more.

We are also offering your chapter a **Red Stag** hunt in the fall. The package includes the harvesting of one hill stag for an \$800.00 trophy fee, or the option, as 90% of our guests elect to do, and that is to trade in their hill stag and upgrade this hunt on a cost basis to one of the truly outstanding estate stags that can be found on our properties in Scotland. This upgrade provides the successful bidder a trophy costing half to a fourth of what a comparable trophy would cost elsewhere.

This donated package also includes all airport transfers, meals and lodging at the luxurious Lands of Loyal Hotel, an old 18th Century Duke's estate, besides a 1 on 1 hunt package and a hill stag for just an \$800 trophy fee. The option 90% of our guests elect to do is to upgrade. We will also take care

of the field preparation of their trophies plus assistance with the final preparation of their trophies overseeing the caping, turning ears and lips, fleshing, salting, and drying by one of our professional taxidermists, along with crating, shipping, exporting, and clearing of their trophies at cost in 60 to 90 days after the conclusion of our hunt.

To help cover some expenses, we request a \$3,950.00 minimum bid to us on this hunt, or for \$4,950, we will also include round trip coach class airfare from your successful bidder's nearest major international airport as per our policy. Our airline ticket allotment is capped at \$1,000, which historically has covered the airfare for over 90% of our guests as well. Additional costs, such as special seats, upgrade in class of service, additional flights, etc. will be the responsibility of your guests.

You must stress to your chapter that the *true* value of this donation is that we are allowing the successful bidder the possibility of taking a Safari Club record book trophy estate stag at a fraction of what an individual would expect to pay anywhere in the world. Our incredible herd was started over 50 years ago, with numerous top ten record book trophies being taken.

To increase the value even more, if the successful bidder wants to bring another hunter with him (or her), we will discount additional hunters by \$1,000 off of normal retail, bringing the total value of this donation to well over **\$10,000** excluding the **tremendous additional value** of our upgrade stags.

It is important for you to know that I am not a booking agent. I am on all of these hunts personally hosting the successful bidder from your chapter, making sure that his (or her) hunt goes exactly the way it has been presented. This offering is not a gimmick. The quality of these trophies, coupled with the personal attention provided to both our hunters and non-hunters sets this donation apart.

If your successful bidder on either hunt, brings non-hunters along, they will have a great experience touring castles, historical sites, and shopping at a cost of \$3,450.00. That package includes full roundtrip coach airfare as per the above terms, airport transfers, their stay at our luxurious 18th century duke's estate, meals, admissions to castles, etc.

The donations we offer not only help Safari Club International with their on going conservation and education programs, but they also provide members of your chapter with an exclusive and memorable hunting experience, adding a real touch of class to your fundraising efforts.

These hunts can be taken in 2025 subject to availability, or a future year as agreed upon with your successful bidder. If your chapter decides to take us up on one or both of these offerings, you must let us know so I can earmark the appropriate hunt (or hunts) for your chapter from the very limited number we have available. We will then send you a full, detailed marketing package on the hunt which will answer any and all questions for you and your successful bidder. This will be in an attractive book with many pictures you can lay out at the fundraising banquet plus flyers that can be handed out or placed on the banquet tables.

We are sending donor forms with this letter to document our intentions to help your chapter, which must be completed, signed, and returned to verify and document your intentions and agreement to the terms of this donation.

Looking forward to working with you in furthering Safari Club International's education and conservation efforts, and providing outstanding hunting experiences for your chapter's membership.

SCOTLAND SPRING ROE DEER

2025 HUNT DONATION - Chapter Offer

Our spring roe deer hunt takes place on some of the most famous estates in Scotland and is no doubt one of the most unique, exclusive, and prestigious experiences we have put together in the 45 years we have been taking people big game hunting on all six continents that allow hunting. During the 34 years we have been hosting roebuck hunters in Scotland, we have secured exclusive hunting rights on many of the best estates in Scotland encompassing 60 estates and a million acres. The quality of roebucks and locations of our vast hunting areas in the Highlands of Scotland create hunting memories that are some all time favorites of our guests.

Our donated hunt package includes all airport transfers, meals and lodging at the luxurious Loch Kinord Hotel, 1 on 1 guides, and a complete hunting package that includes the harvesting and trophy fees for one roebuck. Additional roebucks may be harvested for a \$600 trophy fee.

I would ask that your chapter provide us a \$3,950 minimum bid for this donation, or for \$4,950, we will also include roundtrip international coach class airfare from your successful bidder's nearest major international airport. The airline ticket cost is capped at \$1,000, which historically covers the airfare for over 90% of our guests with our wholesalers. Additional costs, such as special seats, upgrade in class of service, additional flights, etc. will be the responsibility of your guests.

Non-hunter packages that includes full roundtrip airfare, (as per the above terms) airport transfers, meals and lodging at the beautiful Loch Kinord Hotel, plus private escorted tours are offered at just \$3,450.00 for the complete package.

Guided tours of castles and historic sites hosted by Danielle for hunters and non-hunters are included in our packages. If interested, the successful bidder and guests may also play a round of golf on the Royal Family's private course on their famous Balmoral Estate depending on time availability.

Our hunt takes place from the middle of May to early July. These hunts may be taken in 2025 subject to availability, or a future year as agreed upon with your successful bidder.

The trip begins with your guest's departure from home on day one, arrival in Scotland on day two, transfers to the hunting area on day three, hunting and other activities on days four, five and six, with the return flight home on day seven. (Hunters may extend their stay in Europe at their own expense if they wish.)

Field preparation of the trophies is included. Caping, turning ears, lips, fleshing, salting, and drying are done at cost by one of our professional taxidermists on location. In addition we will include assistance with the shipping, importing, and clearing of their trophies on a cost basis (**huge savings**).

For many years, chapters have sold this donation for well over \$10,000. To increase the value of this donation even more, we are allowing the successful bidder to bring additional hunters along at a \$1,000 discount off the brochure price. That brings the total value of this donation to **well over \$10,000**.

When the hunt sells, we will begin a planning process with the successful bidder to take them on this very unique hunt.

Looking forward to being your host, and helping create a memory that will last a lifetime.

Yours in Good Hunting,

Michael, Danielle, and Justin Grosse

SCOTLAND RED STAG

2025 HUNT DONATION - Chapter Offer

Without question, our red stag hunt in Scotland is right at the top of the list of the most exciting and exceptional hunting values that we at International Adventures have put together in the 45 years we have been taking people big game hunting on all six continents that allow hunting. For 34 years now, we have offered our clients Red Stag hunts in Scotland on a complete package basis, on 60 estates encompassing over a million acres which makes for an incredible opportunity for our guests.

This hunt is very popular for two reasons. First, my wife Danielle, our son Justin, and I are in Scotland running the hunting and touring ourselves, thus personally responsible for the success of our guests' experience from the moment they arrive in Scotland. We are not booking agents.

Another aspect that makes this opportunity so unique is although our basic donation offers one hill stag for a trophy fee of only \$800, which is a wild stag running in the high heather hills, I also have the exclusive right to incredible estate stags on our properties, which are unquestionably the best private herds of red deer in all of Scotland maybe in all of Europe. The top Scottish estate stags have come from this herd for over 50 years including several top 10 Scottish trophies! The successful bidder may upgrade to one of our incredible estate stags on a cost basis for which a comparable head elsewhere could cost several times as much.

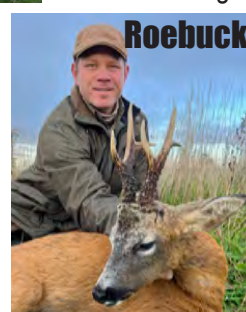

I would ask that your chapter provide us a \$3,950 minimum bid for this donation or for \$4,950, we will also include roundtrip international coach class airfare from your successful bidder's nearest major international airport, which is capped at \$1,000. Additional costs, such as special seating, upgrade in class of airline service, additional flights, etc. will be the responsibility of your guests.

Basic packages include airport transfers, meals and lodging at the luxurious Lands of

Hill Stags

Roebuck

Fallow Buck

Loyal Hotel an old 18th century Duke's estate and the harvesting of one hill stag for a trophy fee of only \$800. Additional stags may be taken for a trophy fee of \$1,650.

While on this trip, roe deer and fallow deer, as well as Soay, Hebridean, Jacob's, Manx, Mouflon, and Racka rams may also be taken if available.

The package begins with the guest's departure from home on day one, arrival in Scotland on day two, transfers to the hunting area on day three, hunting, touring and other activities on days four, five, and six, and their return flight home on day seven. (Hunters may extend their stay in Europe at their own expense if they wish.)

These hunts can be taken in 2025 subject to availability, or a future year as agreed upon with the successful bidder.

Special non-hunting packages that include full roundtrip airfare as per the terms below, transfers, meals, lodging, and private escorted tours are offered at just \$3,450.00 for the complete package (**huge savings**).

I will provide the field preparation of your trophies and oversee the caping, turning ears and lips, fleshing, salting, and drying by one of our professional taxidermists on location besides the crating, shipping, exporting, and clearing of your trophies at cost in 60 - 90 days after the conclusion of our hunt, which is a huge savings.

In addition, the successful bidder may bring other hunters with them at a \$1,000 discount. This brings the total value of this donation to **over \$10,000.00**, plus the value of the much **discounted estate stag**.

I have only a limited number of these red stag opportunities available to Safari Club Chapters.

Looking forward to being your hosts on this incredible hunt and making memories that will last a lifetime.
